# IMPLANT EDUCATORS

## Dr. Rick Ferguson

Dr. Rick Ferguson lectures throughout the world on a variety of implant surgery and restorative topics. He is the director of Implant Educators which runs a seven month program teaching general dentists and specialists how to become implantologists. Dr. Ferguson is a Diplomate of the ICOI, an Associate Fellow of the AAID, clinical assistant professor at the University of Florida and a visiting lecturer at the University of Miami. Dr. Ferguson has taught implant dentistry and hands-on bone grafting courses which have been attended by thousands of dentists over the last 16 years. He is currently in private practice in Davie, Florida.

*This 2 day course will allow you to quickly add Dental Implants to your practice.*

### Restored implants

# Single-tooth Implant Surgery and Restoration

## How to add implant dentistry to your practice

You already practice other phases of dentistry, why not Implants? With our help you will be able to add implant surgery and restoration to your everyday office procedures. You will increase your income quickly and substantially by learning the techniques presented in this 2 day seminar. You will leave more confident and capable than you previously believed possible, knowing which cases to do and which to refer. Our step-by-step training can be put to use right away. Our past participants have recession-proofed their practices with skills they have learned through Implant Educators.

### *Restored implants*

### Day 1

- Introduction to oral implantology
- Diagnosis and treatment planning
- Soft tissue considerations
- Incision design
- Implant placement
- Surgical closure
- When and how to uncover implants

#### **Hands-on Workshop**

- Implant positioning guide construction
- Surgical implant placement on models

### Day 2

- Implant prosthetic treatment planning
- Parts and pieces - clearing up the confusion
- Abutment and material selection
- Implant retained overdentures
- Impressioning techniques
- Temporization
- How to avoid complications
- Which cases to do and which to refer

#### **Hands-on Workshops**

- Implant impressioning
- Implant overdenture workshop
