

Course Director

Rick Ferguson D.M.D., Associate Fellow, AAID
Dr. Ferguson has been involved in teaching hands-on and didactic courses in implant dentistry for the last 14 years. Dr. Ferguson has been instrumental in developing a proven method of training including mentorship which allows doctors to easily incorporate dental implants into their practices.

Course Co-Directors

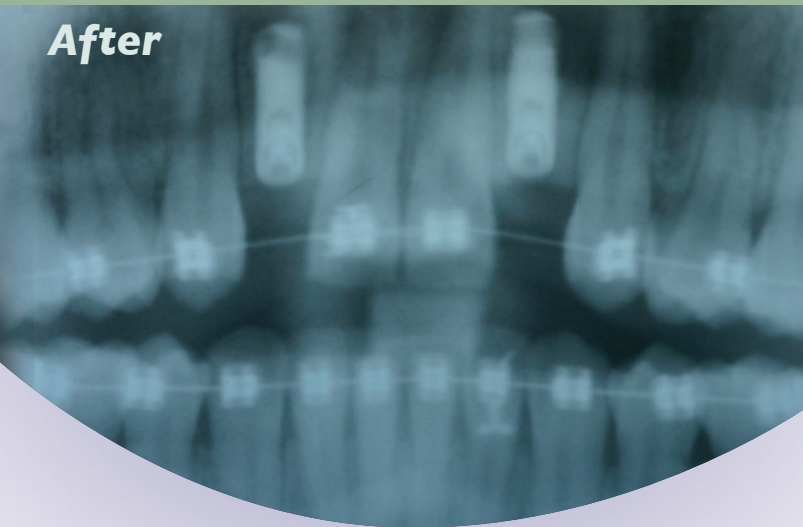

Arthur Acker D.M.D.
Dr. Acker is a Diplomat of the ICOI, MAGD and Adjunct Professor UFCD. Dr Acker has Co-Directed and lectured nationally for dental implant training programs.

Katherine Ferguson D.M.D.
Dr. Ferguson is a Fellow of the ICOI and FAGD. She has taught hands-on implant placement for both cadaver workshops as well as live surgery and has been a Co-Director for dental implant training programs in Texas and Florida. Visiting lecturer University of Miami.

Observe Assist Bring Cases for Review

After

Who should attend?

This Interdisciplinary program is suited for both the **General Dentist** and the **Specialist** who wish to integrate dental implants into their practice. This program is geared more for the beginner or intermediate rather than the advanced dental implantology practitioner.

Initial X-ray Immediate Placement Final Restoration

Comprehensive Interdisciplinary Training

For the treatment planning, placement and restoration of Dental Implants
